

CARETECH HPC-280 CONSTANT FLOW HIGH PRESSURE CLEANERS

Innovative High Pressure Cleaners designed for optimal performance, getting the job done in tough conditions!

Developed for demanding cleaning operations, the new Constant Flow (CF) series focuses on reliability, effective operations and easy maintenance.

Built from experience at our equipment centre in Rotterdam, the new range introduces a integrated buffer tank that stabilizes water supply, reduces Interruptions and minimizes risk for cavitation and breakdown during operation.

Combined with upgraded electronic, plug and play panels, durable stainless steel construction and compatible accessories, the new generation is engineered for dependable performance in challenging environments. Your smart choice for Hold cleaning and deck maintenance when uptime matter the most.

- Robust design with Stainless steel frame
- 280 Bar /16L min constant flow
- 15 liter buffer tank
- Total stop system
- Unloader valve
- Optimized for easy maintenance with plug & play panels
- Full spare part and accessories range

MAIN SPECIFICATIONS

Model / Type	CARETECH HPC-280 CF
Voltage / Frequency	3X440V/60Hz
Operating Pressure	280 bar
Water flow	15.0 L/min.
Integrated buffer tank	15 liter
Motor power rating	7.5/10 HP
Max water temperature	60 °C
Minimum Water inlet / outlet hose	1/2" Quick Coupling / DN 08
High pressure hose & coupling size	DN08 5/16"
Noise Level	70 dB
Dimensions	L700 x W600 x H850 mm
Weight	85 KG
Pump oil quantity	1L
Oil grade	SAE 30

Pressure reducer valve to adjust pressure from 100 - 280 bar

Optional accessories

EXTENSION CABLE 50MTR, W/ CONNECTORS IP67

HP EXTENSION HOSE 20MTR, WITH SST FITTINGS & CONNECTOR > 280 bar

Caretech Extended Lance, strong aluminum design to handle high pressure. Extends reach with 7 meter - **max. 280 bar** pressure

Tornado High Pressure nozzle, advised to apply high pressure more efficiently over a larger surface with 1 meter lance

MARINE CARE

Standard supplied with:

- 10 m oil resistant inlet hose
- 10 m Power cable
- 20 m heavy duty high pressure hose
- 1 m lance with spray gun
- Connectors & couplings (4 pin electrical plug)
- Nozzle holder, protectors and flat HP nozzle
